

Michael E. Morrell:

“I attended my first ISPP meeting in Vancouver in 1996, have had the pleasure of attending every meeting for the past seven years, and served as Associate Program Chair for the 2005 Toronto meeting. I would now like to do more by being on the Governing Council. Simply put, the ISPP annual meetings are among the best I attend. There is real intellectual exchange and camaraderie, and the people I have met have become challenging interlocutors and even friends. I would like the Society to continue to grow while retaining the collegiality that makes it such a valuable and congenial organization.”
