

An assistant professor in political science, **Rune Slothuus** (PhD 2008), Aarhus University, Denmark, studies political psychology, political communication, and public opinion. He has been a visiting scholar at Stony Brook University, Amsterdam School of Communication Research, and University of Illinois at Urbana-Champaign. Recently he served on the ISPP Junior Scholars Committee. Rune Slothuus wishes to continue the positive trends of the ISPP reaching further beyond geographical and disciplinary borders. He would also focus on maintaining the inclusive and constructive atmosphere of the Annual Meetings while at the same time encouraging further improving the quality of presentations and feedback.
