

## CALL FOR APPLICATIONS

### **Apply to be a Member of the ISPP Early Career Committee (ECC)**

The ISPP Early Career Committee (ECC) is accepting applications to the 2022-2023 ECC! To be considered for the ECC, you must be an ISPP member who is a graduate student or person within eight years of having earned their degree. To make our committee more representative of ISPP's membership, we encourage applications from every continent, academic rank (e.g., graduate student, post-doc, assistant professor), and disciplines (e.g., political scientists, social/political psychologists).

Much of the ECC's work is conducted in conjunction with the ISPP Annual Meeting, including the Mentoring Luncheon and Professional Development workshops. Furthermore, ECC officers serve as supportive mentors and networks for early career scholars who attend the Annual Meeting. We encourage applications from scholars who can travel internationally to attend the ISPP Annual Meetings. Future Annual Meetings locations (subject to change) include: 2023 in Montreal, Canada; 2024 in Santiago, Chile; and 2025 in Prague, Czech Republic. Certain ECC roles involve planning and execution of on-site events which should be delivered with physical presence at the ISPP Annual Meeting.

*Please note that ECC members arrange their own/institutional travel to the ISPP conference as all other conference attendees. Being an ECC officer does not guarantee research proposal acceptance for presentation at the Annual Meeting.*

Submit the application form using the following link <https://forms.gle/r3Wo4vFW47JR8rms5>, and then email your curriculum vita (CV) to [ecc@ispp.org](mailto:ecc@ispp.org). Only complete applications with accompanying CV's will be considered. More information about the ECC can be found at <https://ispp.org/ecc/>. Feel free to email us with any questions at [ecc@ispp.org](mailto:ecc@ispp.org).

Applications due by **June 10, 2022**.
